About the institution

Department -

Talent for growth. That is what Aeres University of Applied Sciences (Aeres UAS) from the Netherlands stands for. Our university is rooted in the agricultural and educational higher education. We focus on education, research and sharing knowledge. This is how we contribute to the development of innovative professionals. Professionals who are capable of taking responsible decisions in a complex world, with a natural talent for acting sustainably. Aeres University of Applied Sciences offers Bachelor programmes, a Master programme and a number of short courses. We have three faculties in the cities: Dronten, Almere and Wageningen. We share the same vision and mission, but we each have our own profile and identity. Aeres UAS is part of the Aeres group, which also contains TVET colleges in Agriculture and Aeres Training Centre International (ATCI) in Barneveld. The short courses of Aeres UAS are offered in close cooperation with ATCI and result into a certificate or diploma.

Admission

Admission requirements 1. At least three years of working experience at Bachelor level in the field of agrifood business or food technology or three years in a relevant Bachelor programme

full-time

Application deadlines	Start date	EU/EEA Students	Non-EU/EEA students
	26 Aug 2019	1 Jun 2019	22 Mar 2019

Year	EU/EEA	Non-EU/EEA	Institutional
2019 (FT)	n.a.	€ 5750	€ 5600

In short, the following rules apply:

- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
- The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.

- Tuition fees
- The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
 - Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.
