Course description

Qualification Master of Design

Field of study Humanities, social sciences, communication and arts

Course summary Fashion is one of the most influential forms of expression in our culture. Serving as a mirror of our time, fashion is regarded as a metaphor of what goes on in society.

Course description Gaining the full grasp of fashion as a cultural phenomenon requires a broad, interdisciplinary approach. ArtEZ Institute of the Arts offers two unique, accredited Fashion Masters: the Master Fashion Design and the Master Fashion Strategy. Our aim is to educate fashion professionals who from a personal fascination critically interrogate the current mainstream fashion system and seek out the boundaries of the prevailing fashion discourse through research and design. Location Arnhem.
