Course description

Qualification: Bachelor of Science
Field of study: Humanities, social sciences, communication and arts

Course summary: Explore the world of media and its political, economic, and cultural impact. Pursue opportunities for international exchange, and go on to advanced studies or a top-flight career in communications.

The International Bachelor Communication and Media (IBCoM) at Erasmus University takes a comparative, international approach to communication and media studies. The IBCoM programme is taught exclusively in English to a diverse student body from all corners of the world. With extensive opportunities for international exchanges, IBCoM is an excellent stepping stone to advanced studies or a career in communications and related fields. Another distinctive feature is our "IBCoMmunity". Interaction and connection between students is what makes IBCoM thrive as a programme. Your fellow students now will be your colleagues in the future. Therefore, IBCoM aims to be more than just an educational programme; it provides its students with opportunities to make friends, build professional networks, achieve personal growth, and develop their knowledge and skills in communication by engaging with all kinds of people and a variety of viewpoints.
