Course description

Qualification Bachelor

Field of study Economics, commerce, management and accounting

Course summary Do you have a head for business and a heart for sport? Then Sport Studies - track International Sports, Management and Business is the place for you.

Course description Future sport managers need to work successfully within an international context. Combining instruction in management theory with three internships, the programme helps you build your CV while earning a degree.

Study subjects Sport Studies - track ISMB is a four-year degree programme focused on business and management within the international sports industry. During your study, entrepreneurial skills and spirit will provide a solid foundation as you learn to research, plan, organise, lead, manage and evaluate the business of sport. In the first two years, you'll also participate in a variety of sports to further develop your management and interpersonal skills.

 full-time

Application deadlines **Start date EU/EEA Students Non-EU/EEA students**
 1 Sep 2020 15 Jan 2020 15 Jan 2020

Year EU/EEA Non-EU/EEA Institutional
 No tuition fees available.

In short, the following rules apply:

- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
- The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.

- Tuition fees
- The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
 - Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.
