## About the institution

Department KIT

Information about the institution  
 KIT is a not-for-profit knowledge and expertise organisation for international and intercultural cooperation. Through master programmes, short courses and institutional support, KIT equips health professionals to be leaders in addressing public health challenges around the world. KIT has offered training programs on international public health since 1963. Currently this includes two International Masters Programs and a wide range of short courses and online courses. The courses respond to current global developments in the health field. KIT's courses are known for their practical applicability, the multidisciplinary approach and the interactive, participatory training methods. Courses at KIT are followed by health professionals from all over the world. KIT's Masters courses are given in cooperation with the Vrije Universiteit Amsterdam (VU) and are accredited the Dutch Flemish Accreditation Organisation (NVAO). In addition advanced courses are all accredited by TropEd, an international network of institutions for higher education in international health.

			n.a.

In short, the following rules apply:

#### Tuition fees

- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
- The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.
- The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
- Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.

#### Scholarships

Orange Knowledge Programmes (OKP), Orange Knowledge Programme (OKP), Netherlands Fellowship Programmes (NFP)
