Course description

Qualification Certificate

Field of study General programmes

Course summary Understanding how corporate boards are formed and how they act has become an important topic.

Understanding how corporate boards are formed and how they act has become an important topic. Corporate failures and scandals such as Enron and Parmalat in the early 2000s and, more recently Volkswagen and Toshiba, have heated up debates in policy circles and media, as well as in academia, with respect to the role of boards in these scandals. Research on boards focuses on examining how they influence firm strategic decisions and outcomes.

Course description Traditionally, this research focuses on linking board and/or individual characteristics to measures of firm decision-making and performance. More recently, researchers have begun to focus on contextualizing the role of boards in determining firm decisions and outcomes. Various contextual variables such as formal (law, regulations, quality of government) and informal institutions (culture, values, trust) have been considered as determinants of the way boards are characterized and formed, what their roles are, and how their members act and decide.

Study subjects -

Course

objectives -
 ECTS credits 0.00
 Duration -
 full-time
 Language of instruction English
 Instruction modes group discussion, lecture, oral presentation, research proposal, tutorial, working group, workshop, self study
 Accreditation -

About the institution

Department faculty of Economics and Business
 Information about the institution Students and researchers from all over the world come to Groningen to expand their own boundaries as well as those of academia.

Admission

Admission requirements
 Language requirements
 Professional experience required -
 Duration -
 full-time
 Application deadlines **Start date EU/EEA Students Non-EU/EEA students**
 8 Jul 2019 1 May 2019 -
Year EU/EEA Non-EU/EEA Institutional
 2019 (FT) € 650 € 650 € 650

In short, the following rules apply:

- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
 - The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.
 - The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
- Tuition fees
- Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.
