Course description

Qualification Master of Science

Field of study Health care, social services and care services

Course summary The Delft University of Technology offers a unique interdisciplinary joint-degree Master programme in technical medicine together with Leiden University, Erasmus University Rotterdam.

Course description The programme in technical medicine is a multidisciplinary programme which links science and technology with clinical practice and its professional medical procedures. It combines a thorough understanding of the functioning of the human body and the influence of disease processes with an equally comprehensive understanding of medical technology and professional medical procedures.

Application deadlines	Start date	EU/EEA Students	Non-EU/EEA students
	1 Sep 2020	-	-
	1 Sep 2021	-	-

Year EU/EEA Non-EU/EEA Institutional

No tuition fees available.

In short, the following rules apply:

- Tuition fees
- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
 - The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.
 - The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
 - Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.
