### Course description

Qualification Master of Arts

Field of study Humanities, social sciences, communication and arts

Course summary In this Research Master's programme, you will learn how to conduct your own research in theoretical linguistics, psycholinguistics, and language use.

Course description This two-year Research Master's programme in Linguistics brings together students from all over the world who combine their unique talents and backgrounds with shared curiosity into language and the way it is embedded in human cognition. The key focus of the programme is the question: which cognitive faculties underlie human language, and how do they interact? In the 2018 edition of Elsevier Best Studies Survey, students have rated Linguistics as the best programme in the field.

Tuition fees

- The "EU/EEA rate" is the regular fee for students from within the EU/EEA.
- The "non-EU/EEA rate" is the rate for students from outside the EU/EEA.
- The "institutional rate" is for all students who have already obtained a bachelor's or master's degree and who want to start a second programme leading to a degree at the same level or at a lower level.
- Note that FT, PT and D stand for "full-time", "part-time" and "dual", respectively.

Make sure you contact your institution to find out what rate applies to you. The rates listed here are estimates.
